

LANDSCAPE ARCHITECTURAL GRADUATE

December 2018

Position: Landscape Architectural Graduate
Type: Full-time
Experience: Entry level to 5 years of experience
Location: Mishawaka, Indiana

- *Looking for a workplace where your talents will be applied, and you will have unlimited opportunities for professional growth?*
- *Want to be part of a multi-discipline design team that provides you a wide variety of experiences?*
- *Want to be part of the future of a growing, successful firm?*
- *Seeking a fun, supportive work environment with a great team of design professionals?*

Arkos Design is a collection of professionals in Architecture, Interior Design, Landscape Architecture, and Digital Graphics. Our core project types include higher education, senior living, commercial, and community-based design. www.arkosdesign.com.

We are looking to hire a creative thinker who is motivated to grow as a professional and has an aptitude for working collaboratively. They should be flexible and attentive to detail, with a willingness to do the work necessary to complete tasks. We value those who are committed to quality and service to our clients. An interest in biophilic design and enthusiasm for purposeful design would be a great fit.

Responsibilities

- Work closely with team members to assist in the completion of projects on schedule and with excellent design and document quality.
- Contribute to the design process of projects including assisting with concept development, sketches, renderings, and preparation of presentation materials.
- Assist in all phases of documentation with the guidance of a Project Manager.
- Assist with construction administration of projects with the guidance of a Project Manager.
- Additional responsibilities may be assigned based on demonstrated talent and professional growth.

Position Requirements

- BSLA or BLA from an accredited program.
- No prior design firm experience required, but relevant internship or job experience a plus.
- Proficiency with AutoCAD or Revit.
- Additional software experience preferred (InDesign, Photoshop, Land FX, etc.).
- Excellent interpersonal, written, and verbal communication skills.

Compensation

- Full-time with competitive salary.
- Benefits for full-time employees include paid time off, health insurance, SIMPLE IRA matching plan, continued education, and profit-sharing.

Please submit your résumé and portfolio as one combined document to Rebekah Booher at rlb@arkosdesign.com.
